HSP EAST VALLEY - GOOGLE CALENDAR INSTRUCTIONS

<https://www.google.com/calendar/ical/hspeastvalley%40gmail.com/public/basic.ics>

Outlook - Open your Outlook calendar and select “Open Calendar” from the Menu Ribbon. It will open a drop down menu, click on “From Internet.” When the dialogue box opens, copy or type the address above into the “URL” box. Click OK. It will ask if you want to import all the events, click YES. And click YES when it asks if you want to subscribe to updates.

Gmail and Android - Open your Gmail Calendar and then navigate your mouse to “Other Calendars” on the left hand side of the screen. Click on the down arrow next to “Other Calendars.” Select “Add by URL” and then copy or type the address above into the “URL” box. The HSP Event calendar events should now show up on your calendar. Once you have completed this you will need to open your calendar on your Android device,. Once you have opened your calendar on your Android device you can sync the new HSP calendar by hitting the menu button and selecting “Calendars.” Then you can select “Display.” Once you have selected “Display,” you can mark the check box next to HSP East Valley under your Gmail email address. Then select “Done.” The HSP Event calendar events should now show up on your Android calendar.

Gmail and iPhone/iPad - Open your Gmail Calendar and then navigate your mouse to “Other Calendars” on the left hand side of the screen. Click on the down arrow next to “Other Calendars.” Select “Add by URL” and then copy or type the address above into the “URL” box. The HSP Event calendar events should now show up on your calendar. Once you have completed this you will need to go to <https://www.google.com/calendar/syncselect>. Sign in through Google and mark the check box next to HSP East Valley and then click “Save.” Then open the calendar on your iPhone/iPad and select “Calendars” in the upper left hand corner to verify HSP EV is under your iCloud calendars with a check mark next to it.
